

# Sail

Atelier Selection

Il design del tavolo Sail si caratterizza per la base metallica formata dall'unione di una coppia di elementi curvi, i quali si incontrano per creare un disegno sinuoso e suggestivo che si staglia nello spazio e sostiene con leggerezza il piano.

The design of the Sail table is defined by its metal base, formed by the union of two curved elements that meet to create a fluid and captivating silhouette. This elegant structure extends into space, effortlessly supporting the tabletop with a sense of lightness.
