

# Vela

Boutique Selection

**In Vela tutti gli elementi che lo compongono sono in equilibrio fra loro: le gambe in lamiera, sottili come due fogli di carta piegata, fanno da struttura portante al piano, in un insieme che appare quasi privo di peso. L'effetto visivo è di estrema leggerezza.**

In Vela, every element is perfectly balanced: the sheet metal legs, as thin as folded paper, serve as the supporting structure for the tabletop, creating a composition that appears almost weightless. The visual effect is one of extreme lightness.
